Dear Mr. Casey:

The Foreign Relations Committee has received a request from the Department of State for access to certain classified transcripts concerning Vietnam for use in the preparation of its documentary series, Foreign Relations of the United States.

One of the requested transcripts dated October 10, 1963 contains the testimony of former CIA Director John McCone. In addition to use by the State Department, this transcript will be included in the next volume of the Committee's Historical Series which is also being prepared for publication.

I would appreciate your agency's review of the enclosed document and your advising me if there is any objection to its publication.

**REMARKS**

Thanks very much. If not too much trouble, could we obtain thru OLL a full version of the Congressional Research Service memo once it's completed? I would be interested in their full exposition of the Diem overthrow. Thanks for your assistance.

As you can see, EA would like to see the finished product. Thanks.

## REMARKS

Just thought I'd let you see what happened to the transcript we declassified a few months ago on McCones testimony in executive session. With all the footnotes from other sources it really takes on a different meaning.
